**Authors of *Her Story: A Timeline of the Women Who Changed America*,
HarperCollins, 2008**

Her Story: A Timeline of the Women Who Changed America is a highly visual book. It contains over 1,000 photos. To truly show the flavor of our book, all presentations are lively and include supportive powerpoint visuals and a large banner display that enhances the artwork in the book.

A formal speech, an informal talk, a discussion – all are ways to celebrate *Her Story*. Presentations are customizable and work for audiences of any size. No specific physical set-up of the room is required.

The authors may be booked separately or together.

All presentations may be done with or without a book signing.

Both the subject and the length of the presentation may be tailored to your specifications. See Sample Speaking Topics for more information.
